

ACTIVITIES OF ASHTON UNDER HILL WI DURING OCTOBER 2014

Marjy welcomed members and many guests from other WIs to the October meeting. Matters arising from the minutes included a report on the success of the Ashton Fete, where the WI tombola stand had contributed £330. A report on the baton exchange tea party held at Pershore had been written by Judith Hunter and also an account written by Henrietta Cooke, of the Council Meeting held at Malvern, at which Doreen Parsons won First Prize with her floral display.

After business we were then introduced to Jane from 'Blue' of Pershore who had arranged with Ruth Clarkson and her team of 'volunteer' WI models to keep us well entertained for an hour with all the new autumn fashions now available at Blue.

After a little coaching from Ruth Clarkson and ably assisted with the dressing and choice of jewellery by Jane and Pam, the girls strutted their stuff and gave us a very entertaining show. The models were: Ruth, Marion Nelson, Christine Powell, Jane Wilson, Nadine Simpkin and Joan Richmond.

Jen gave a warm vote of thanks to Jane and her assistant from Blue, the models, David, who kindly assisted the girls down the stairs, and John Scotland who came to the rescue at the last minute to provide the microphone and music.

The monthly walk was deferred until November.
